

Robin Smith's Welcome Letter

Dear Parents,

Welcome to room 14. Our classroom is the portable building on the playground. I am anxious to get to know and work with each one of your children. I wish for all of my students to feel excited and safe when coming to school. I hope for a great year with all students to not only enjoy school but also be exposed to and learn many things.

I am asking parents to make sure your child brings to school a small backpack preferably not one on wheels. A change of clothes to be kept at school along with diapers and wipes if needed. A snack and a drink also unless you will be

getting a school meal. Please label all items.

I encourage parents to communicate to me as often as they can, especially when your child's health or behavior is concerned. I will send weekly classroom news and individual notes when necessary. Please feel free to call me at school when you have a question or concern. I will try to get back to you as soon as possible. Besides myself there are three wonderful teacher assistants in our room. Thank you for letting me have the privilege of teaching your child.
