

## A Little About Miss Vicki

Being a part of California Avenue School is a dream come true for me. The children bring so much joy into my life. It is so hard for me to believe this, but I have been at this incredible school for over 15 years and have been teaching for over thirty years!

I attended Brooklyn College of the City University of New York for both by undergraduate and graduate school studies. My most important role as a teacher is finding the true potential of each and every child.

I have been married for 34 years. I have two daughters who live in Los Angeles. My husband and I enjoy visiting them whenever possible.
