Welcome to our kindergarten class! Here is a brief description of our program.

We come to school Monday through Friday. We do a lot of learning at circle time as well as in small groups and individually. We love music and use it to help encourage our children's speech and imitation skills. Throughout the week we work on the following skills: academics, functional skills, self-help skills, and pre-vocational skills. There are always library picture books on hand and time each day to look at them and read aloud. We encourage a happy, loving atmosphere.

We have breakfast (or snack) around 9:30 am and lunch around 12:00 pm. If you send your child's food, please send in a small snack for the morning. School meals may also be purchased; let me know if you are interested.

We go outside to recess at least once a day, sometimes twice. Some afternoons we walk around the VAPA campus for exercise. We use the computer lab and do classroom jobs. We cook a snack every Friday. We swim in the pool once a month.

I have 2 awesome classroom assistants: Laurie, Jodi and Soo. Each of the 3 skilled individuals brings something unique to the classroom.

If you have any questions, please do not hesitate to call me at 630-4870.
