

Welcome To Kindergarten

My name is Robin Smith, and I will be your child's teacher for the school year 80-09. My classroom is located on the playground in a portable building #14. Your child will attend Monday thru Friday from 9:00 until 2:00. The class size at the start of the year will be eight students with two teacher aides. The program will be similar to the K program in our district but will move at a much slower rate. Most importantly will be you child's IEP goals and objectives that will be addressed throughout the school year. I have many exciting plans for the year that will involve integration with out school next door Vista Academy. Plans are to integrate my students with the K class for storytime, music, recess and assemblies. This will take time and coordination with the K staff. Information will be sent home when schedules are in place.

As in Preschool, your child will come to school each day with a backpack containing a change of clothes and a snack and lunch. If you wish to buy lunch or if you qualify for reduced or free lunch you must fill out the necessary paper work each year.

I will be sending home weekly letters plus homework for you and your child. Please feel free to write or call me at anytime if you have any questions or concerns regarding your child. I am looking forward to having your child in my class.

Sincerely,

Robin Smith
